Application for admission to Master-in-Physics Examination

in accordance with the regulations

“Prüfungsordnung für den konsekutiven Masterstudiengang Physik vom 17. Juli 2014“
 (abbreviation: MA-PO)

First Name: _____ Family Name: _____

matriculation number: _____

call number: _____

email: _____

address: _____

... if deviant from student ID

In accordance with § 10 Abs. 1 MA-PO, I herewith apply to be admitted to the master examination in the study course of Physics. I declare that I have not lost any right of examination, due to previous failure. I am aware of the examination regulations, including the module handbook that this application is based upon.

date

signature

The following documents have to be added on this application:

- curriculum vitae (CV) with passport photograph (glued on in upper right corner or scanned)
- “Studien-Dokumentation”: proof of enrollment for this Master program (please submit a black/white copy of the blue data sheet above the pink student ID)
- as appropriate: letter of acknowledgement of credits and examinations from previous courses at other universities [issued by Priv.-Doz. Dr. Bernard Metsch (expert advisor)] (original and a black/white copy)
